

Overdrive eBooks and your Sony Reader

Here's what you'll need to get started:

1. A **Sony Reader** with v1.1 firmware or higher installed.
2. **Adobe Digital Editions** installed on your *computer*. Download this software at <http://www.adobe.com/products/digitaleditions/>
3. A free **Adobe ID**. To create an Adobe account, go to www.adobe.com.
(Make a note of the email address and password you use to create your Adobe ID—you may need it later)
4. A **Fletcher Free Library card**.
5. A **cable** to connect your Reader and your computer.

Here's what you'll need to do:

1. **Plug** your Sony Reader into your computer. Wait until the computer recognizes the device.
2. *On your computer*, open **Adobe Digital Editions**.
3. If you have not previously set up your Sony Reader, Adobe Digital Editions will ask to **authorize it**.
4. Once your device is authorized, you should see it in the Adobe Digital Editions screen, on the left under **Bookshelves**. Your eReader should appear at the bottom of the list.
5. *From your computer*, return to <http://fletcherfree.lib.overdrive.com> and search for a book you'd like to read using the search tool provided.
6. Select an EPUB or PDF ebook from Overdrive and complete the checkout process by clicking on **Add to Cart** and then **Proceed to Checkout**. You will be prompted to enter your library card number.
7. After checking out the item, click on the "**Download**" button.
8. Select "**Open with: Adobe Digital Editions**" in the window that opens, and click **OK**. Your book will appear in the Adobe Digital Editions library.
9. To transfer your ebook to the Sony Reader, click on the downloaded ebook and **drag it to the Sony Reader icon**.
