

# Wacky Winter Fun in Record-Setting Vermont

# Scavenger Hunt

## How Do I play?

**First you need the puzzle page. Pick one up inside the library or download one online from [fletcherfree.org](http://fletcherfree.org) or [loveburlington.org](http://loveburlington.org). Now you can get started!**

**For this window-hunt you will need to browse the windows of the Library and Church Street Marketplace. All your clues are visible outside, so dress warm and have fun! You will find blue flyers in 8 windows. Each flyer has a question for you to answer.**

**Got all 8 words (answers) written down on your puzzle sheet? Now fit them into the crossword on your puzzle sheet.**

**Some of the letters on the crossword are highlighted. Take those letters and unscramble them to form a word. Got it? You solved the puzzle! Return your completed sheet to the scavenger hunt box at the main desk in the Fletcher Free Library. If you're one of the first 50 people, ask the staff for a free Lake Champlain Chocolate. Your entry will also join the January 9 raffle for some fun prizes.**

**So get outside, keep your distance and wear your mask, and have fun!**
